- mark polanka: guitars, vocals**
- chris henderson: bass, vocals**
- jeff dowd: drums**

Time Machine

Available for club dates, festivals, private & corporate events, opening acts....

Time Machine Band has been playing Northeast Ohio for the last 16 years. The band is widely known for the great vocals and harmonies, pulling off many songs that don't get heard live very often. Bohemian Rhapsody by Queen is a great example.

All of the band members have known each other from high school or college and reside near the Akron/Kent area.

Most of the band plays multiple instruments and sings. The 5-piece band has keyboards, bass, drums and 2 guitars. We also have 3 guitar songs and harmonica. The music is best classified as classic rock, whether we go back and do a Beatles or Elvis song or hit a 70's or 80's favorite from bands like Foreigner or Boston.

LIVE

Examples of bands
covered Boston/Donnie
Iris Beatles/ Sam Cook
Kansas/Todd Rundgren

Foreigner/Robert Palmer

Pricing: Pricing per job is negotiable, based upon hours played, type of event and distance travelled.

Payment: Cash is preferred. Paid in full immediately after all club dates. Event or festivals can pay via company or event check, but cash is preferred. The band accepts no terms and conditions for 30/60/90 day payments.

Sound & Lights: If you do not supply house sound/soundman and lights, the band can provide these for a nominal fee.

Minimum set up/ tear down: Generally, a 1-2 hour set up and an hour tear down before and after the job is required for most club dates. During festivals, an area to pre-stage equipment and an area to pull equipment off stage greatly reduces this time.

Power & Staging: Most clubs and festivals have no problem with power or staging.

Private events: you must supply at least 2 outlets via two different breakers. A 10X15 flat surface is preferred for setup. Outdoor cover is need for inclement weather.

Cancellations: TMB will make every attempt to fulfill every agreed upon date. When sickness, mother nature or other items that would preclude the band from playing, we will try and find a replacement band or give you a long enough notice to find another band.

Booking information continued:

In an event the club, event producer or festival producer has to cancel the event, we would ask that you provide enough time for the band to find other employment (roughly 2-3 weeks in advance)

Band reserves the right to play as a four piece if needed.

Music: Mainly 1950's through 1980's songs. A great mix of British Invasion, rock, and soul. The band does not play originals. Requests can be made and are encouraged. We also encourage customers to come and sing with the band.
